

FRIDAY NIGHT LEAGUE

RULES AND REGULATIONS 2010

STARTS APRIL 23RD THROUGH SEPTEMBER 3RD 2010

[WHAT IS A FALLBACK SCRAMBLE?](#)

Men start from the white tees and ladies start from the red. If on the first hole you birdie you fallback one tee on the second hole. If you bogie you fall forward on the next tee and if you par you stay on the same tee as the first hole. If you eagle you still only move one tee at a time. Ladies never fall back past the white tee's, however the men can fall forward or backwards on all four tees. This is the same format that is use in our monthly tournament the "Westminster Open".

FORMAT: 3 Person Fallback Scramble (two teams, 6 players per hole)

The first two weeks of play will be used to flight the event. Based on participation there will be at least two flights. The event will be scored as follows: If on the first night of play your team comes in at 2 under par, then your score is 2 under par. The second week your team is 3 under par, then after two weeks your team is now 5 under for the event. If on the third week your team comes in 1 over par, then your running team score is now 4 under par. This format continues throughout the season and winners are determined at the end of the year based of their final under or over par for the summer.

There are two separate events each night. Closest to the flagstick on all par 3's and is an individual event, not a team event. The cost of this is \$5.00 extra and is optional. There is also a skins event, and this is a team event at a cost of \$5.00 per player (\$15.00 per team) and is also optional. Both events are 100% payback in cash with the results and the payback paid the following week. Again these two events are optional!

COST: League is \$16.00 + tax each per night (includes one free draft or soda after golf). This price is good only for league night and not any other day of the week. If you wish to come out and play nine holes before league you may do so and the price will be \$10.00 + tax. You must check in before you play, and pay your entire golf fee for that night. You may not play the nine that you are scheduled to play in league; that is considered practice and is not permitted.

Range balls are half price to league players (\$3.00 SM & \$4.50 LG buckets).

Initiation is \$50.00 per player and due on or before the first night of league. Initiation must be paid before allowed to play, NO EXCEPTIONS!! All money collected for initiation is 100%

payback for flight winners and banquet at the end of season. The Banquet is scheduled this year for Sunday September 26th 2010. The cost for the year end tournament will be \$16.00 +tax ea. Format will be determined later.

Sign-up also entitles players special pricing for the summer. All league players will receive a summer membership card which entitles each player special rates of \$26.00 ea. for 18 holes of golf any day of the week. **ALSO INCLUDES A FREE DRAFT OR SODA "AFTER GOLF" ALL SUMMER LONG!!** (May 1st thru October 31st 2009). Also range balls will be half price (\$3.00 SM & \$4.50 LG buckets) for the summer anytime you play or use the range. This price is only good for card holders. If you choose to drop out of league, your card and privileges will be revoked!

START TIME: League starts promptly at 5:30 pm. as a shotgun.

SUBSTITUTES: If a player(s) cannot make a night of league and so desires to have a substitute to take his or her place, may do so. Anyone can substitute for you as this is not a handicap event. They may sub for you as often as you want and you may have as many different subs as you need. Subs will not receive a membership card for the summer unless they pay the initiation fee of \$50.00.

WEATHER: Summer brings the rain. Because it is raining in Cape Coral, North Ft Myers, Bonita or where ever does not mean it is raining here. If we do have league and you choose not to come because it is raining where you are, you will not receive any score for that night nor will you be able to make up the night on another night. In 2009, league was rained out only TWICE ALL SUMMER. In the event we start league and the weather does take a turn for the worse, we will cancel league and never put the golfers in danger. If you get 5 holes completed, this is considered a night of league and your 5 holes or more score will count. If you get less than 5 holes, then no score will be posted that night. Only Steve Gard (GM) and Roger Osborn GOLF PRO) can cancel the league.

RULES: All USGA Rules of Golf apply. It is the responsibility of each and every golfer to play according to the rules, and to question other players if they feel they are in breach of a rule. If there is a question about a rule, then play two balls and get the proper ruling when you come into the clubhouse. Steve Gard PGA and Roger Osborn PGA are the rules official and will make the proper ruling for you. This is a gentleman/ ladies game and the integrity of the game should be kept in tack!
