Forty-eight hours prior to tee times, you must fax pairings (as foursomes) with names and number of times you will **FOR SURE** use on your day to play. (Example: If you play on Thursday, by close of business day Monday, you must fax all information (239-368-7324).

Tee times not used or cancelled or no shows AFTER DEADLINE will result in an up charge for the tee times not used. No show fees will be paid the following week by increasing all players rates by the amount of revenue lost. **Example:** Current public rate is \$45.00 and you have 16 players scheduled and "two" do not show up. That is \$90.00 lost to Westminster G.C.---- \$90.00 Divided by 16 players = \$5.62. All players the next week will pay the \$45 plus \$5.62 or \$50.62 each to make up for lost revenue from the previous week. If all players show up and pay then the following week will go back to \$45.00 each or whatever your league rate may be. You are responsible for the Tee Times you reserve.

The club reserves the right to pair singles and twosomes with your group if your tee times are not all foursomes. Proper Attire is required at all times. Proper pace of play is also required (4 hr rounds). Anyone who acts inappropriately toward another player, Pro Shop personnel, Restaurant personnel, and Beverage Cart personnel or damages the course or golf carts **WILL** be expelled from the group without any refund. Any inappropriate conduct will not be tolerated.
